## EXPERIENCE

● **Developer C/C++ | SER Informatique**  
2022 Torcy, France

- Developed a web portal for La Poste using C/C++ and MySQL, aiming to enhance access and functionality for employees.
- Implemented login functionality using MySQL, enabling secure access for employees.
- Utilized C/C++ to efficiently manage interactions with the database and backend functionality for the login module.

● **Web Developer | VKR Solutions**  
2018 – 2021 Pondichéry, Inde

- Create optimized tables and queries in the MySQL database to ensure efficient storage and retrieval of data.
- Utilized Python to establish transparent connections with the MySQL database, enabling me to manipulate and retrieve data seamlessly.
- Implemented functionality in form pages and connection systems, showcasing my proficiency in C/C++ programming.

● **Case Manager, Collision Investigation and Prosecution Team | Hertfordshire Police**  
2017-2018 Stevenage, UK
